DANIEL F. MURPHY, JR.
2019 "LAWYER OF THE YEAR"
Labor Law – Management . New York City

From offices in Manhattan, Long Island and New Jersey, the attorneys of Putney, Twombly, Hall & Hirson, LLP have provided high-quality legal services to corporate and individual clients for more than 150 years in the areas of Labor and Employment, Trusts and Estates, Litigation, and Corporate Law. The firm has demonstrated unsurpassed experience and knowledge when representing clients in collective bargaining, litigation or their individual needs in estate planning and administration.

Managing Partner Daniel F. Murphy Jr. received the 2019 Best Lawyers® "Lawyer of the Year" award for Labor Law – Management in New York City. Mr. Murphy credits loyal clients and colleagues within the firm and thanks his peers for their support and this recognition.

"Our clients come from varying backgrounds and industries, but

they all share the need for the best representation on sometimes-sensitive and intricate issues," says Murphy Jr., who Best Lawyers also recognized with the 2017 "Lawyer of the Year" award for Labor Law - Management in New York City. "Whether we're in the courtroom or at the negotiating table, our clients trust us to fight to the end for them, and that trust is sacred to us."

It should then come as little surprise that a firm with such a successful history and specific focuses should be recognized as an industry leader. *U.S. News – Best Lawyers*® "Best Law Firms" ranked the firm Tier 1 in New York City in the areas of: Employment Law - Management; Labor Law - Management; Labor and Employment - Litigation; and Trusts and Estates Law. Murphy has also been recognized by Best Lawyers in the field annually since 2009. Labor and Employment partner Mary Ellen Donnelly was recognized

by Best Lawyers for the second consecutive year in 2019. Trusts and Estates group senior counsel Charles J. Groppe and Andrea Hyde were both honored for the 20th year.

These are just some of the accolades achieved by the firm's lawyers and exemplify their legal prowess, high ethical standards and dedication to client service. And with such trailblazers at Putney's forefront, Murphy says management is consciously making efforts to also ensure the firm's historic legacy.

"We have several bright, young lawyers who have been making valuable contributions to the firm and our clients," Murphy says. "Putney has been an industry leader for 150 years because of our commitment to clients and our dedication to the law. There is a new generation of talent in our firm drawing lots of enthusiasm from our clients and securing a bright future for Putney."
